## COR COOLING™ R1700K OIL COOLER

<b>PRODUCT NAME</b>	COR Cooling™ R1700K Oil Cooler
<b>EQUIPMENT SUITABILITY</b>	Caterpillar R1700K (LHD)
<b>H-E PARTS #</b>	C33505

<b>PRODUCT TYPE</b>	Oil Cooler
<b>SERIAL # RANGE</b>	KT41-UP
<b>OEM PART #</b>	N/A

H-E Parts manufactures and supplies high quality, innovative COR Cooling™ products that can also be tailored to our customers' specific requirements. H-E Parts in-house engineering, COR Cooling™ product and associated service offerings, guarantee we can support customers throughout the full product life cycle while working to award the end user with the lowest total cost of ownership.

### COMPONENTS

- C33505 - Oil Cooler

### FEATURES AND BENEFITS

With our extensive range and abilities of our COR Cooling™ bar and plate product line, we are able to supply replacement components for a variety of customers across a range of industries. Benefits of this product line include a combination of the below features:

- Heavy duty bar and plate design to suit harsh mining and quarrying environments.
- Corner block reinforcements prevent premature failure of end tubes
- Anodized cores and aluminum to resist corrosion, extended service life and result in less downtime
- Sideband expansion slits allow the core to expand and contract evenly to prevent premature cracking
- Enhanced external open fin design to prevent blockages and ease cleaning
- Increased internal and external cooler durability

H-E Parts International replacement parts are compatible with the makes and/or models of the third-party equipment described. H-E Parts International is not an authorized repair facility of these third parties and it does not have an affiliation with any manufacturers of these third-party products. All brands, original equipment manufacturer (OEM) part numbers or references are owned by the respective OEM entities or their affiliates. These terms are used by H-E Parts International for identification and cross reference purposes only and are not intended to indicate affiliation with, or approval by the OEM, of H-E Parts International or its products.
